1. There is no such documentation kept at the Polk County Sheriff's Office for the search of LP [License Plate]. The Polk County Sheriff's Office does not just search random plates, per policy and contract there has to be a legitimate investigation before LP can be searched.
2. There are no audit records kept by the Polk County Sheriff's Office for the search of LP [License] from previous open records request.
3. Retention is set by FLOCK, no records of a FLOCK order form, the Polk County Sheriff's Office does not maintain a document for a user list, no policy review document only Policy 10.01.
4. The Polk County Sheriff's Office maintains no records on how previous request were handled.
5. The Polk County Sheriff's Office does not maintain records on operation of any cameras or health of any cameras; we do not maintain any records on aggregate read volume.
